

Microbial Dark Matter Symposium 2026

Sponsorship Commitment Form

The **Microbial Dark Matter Symposium** will be held September 16–17, 2026, in Laguna Beach, CA, bringing together leading researchers and innovators focused on uncovering the vast majority of microbial life that remains uncultured and uncharacterized. The meeting attracts a highly engaged audience from academia and industry working at the forefront of metagenomics, functional genomics, and microbiome science. Sponsorship offers a unique opportunity to connect with this community, gain visibility, and support the advancement of this rapidly evolving field.
