

Product Change Notification Letter

Date: March 21, 2025

Product Change Notification #: RD.PCN.135

Dear Valued Customer,

We are writing to inform you of an important update regarding the **Zymo-Spin IIC-XL columns**. Effective December 31, 2025, we will be discontinuing the production and sale of **Zymo-Spin IIC-XL [C1102-25 and C1102-50]**. This decision is a response to the availability of an improved column design to improve customer experience.

In its place, we have released the Zymo-Spin IIC-XLR Columns [C1104-25 and C1104-50]. These columns have the same design and function as **Zymo-Spin IIC-XL columns** [C1102-25 and C1102-50], but an O-ring is integrated to ensure the matrix remains secure in place. The Zymo-Spin IIC-XLR has been evaluated to have the same performance, fit, and function as the **Zymo-Spin IIC-XL columns** [C1102-25 and C1102-50].

Any existing orders for **Zymo-Spin IIC-XL columns** [C1102-25 or C1102-50] will be fulfilled until December 31, 2025, or until remaining inventories are depleted. If you have questions, need more information, or require assistance with transitioning, please do not hesitate to contact our technical support team at tech@zymoresearch.com.

Sincerely,

Darany Tan
Technical Operations Manager
